

Create a better dining experience with these simple, stylish and dementia friendly design principles

Health & Well Being

DESIGN TO DINE

Flowers & Plants
create atmosphere
and warmth

Favourite Items
for comfort and
memories

Contrast Colours
differentiates
between objects

Lighting
brightens mood
and visibility

Non slip placemat
reduces sliding
and spills

Dining furniture
round edges and
supportive chairs

Coloured Coasters
creates a target for
placing cups down

Easy Grip Cutlery
assists with
strength & dexterity
