Home safety maintenance and monitoring

Calvary Community Care can support your independent living by helping to maintain a comfortable and safe home environment.

Our Home Safe team can assist with regular or one-off home maintenance jobs and repairs to keep your house safe, secure and in good condition.

The installation of ramps, rails and other minor house modifications can also make your home more accessible.

Home Alert Telecare Solutions

Calvary's range of telecare products offer peace of mind and the benefit of 24 hour monitoring.

Home Alert solutions include

- personal alarms
- fall detectors
- motion detectors
- epilepsy and bed sensors.

24 hours a day, 7 days a week

Calvary's telecare products are electronically linked to a 24 hour, 7 day a week monitoring system.

Personal and home safety can be increased in an unobtrusive manner and help is at hand if required.
