

## Presenting...

### **A/Prof Ardalan Ebrahimi**

MBBS (Hons), MPH, FRACS

### **Head and Neck Surgeon**

**Calvary John James Hospital is delighted to introduce Dr Ardalan Ebrahimi.** Ardalan is a fellowship trained Head and Neck Surgeon. He completed general surgical training in Sydney in 2009 and a subsequent head and neck and microvascular reconstructive fellowship at the Sydney Head and Neck Cancer Institute, Royal Prince Alfred Hospital. Dr Ebrahimi then spent two years training in the United States. The first was a fellowship in advanced head and neck oncology, microvascular reconstruction and robotic surgery at the Mayo Clinic in Rochester, Minnesota. He then completed a Masters in Public Health at Harvard University in Boston, Massachusetts. Upon returning to Australia he undertook an additional six months of fellowship at the Sydney Head & Neck Cancer Institute before commencing consultant practice at Liverpool, Macquarie University, St George Private and Sydney Southwest Private Hospitals. Ardalan has recently relocated to Canberra and commenced consulting at The Canberra Hospital, National Capital and Calvary John James Hospitals.

**Dr Ebrahimi has expertise in the assessment and management of all benign and malignant conditions of the head and neck, including;**

- neck lumps
- parotid and submandibular gland surgery
- oral and throat lesions
- skin cancer
- lesions of the jaw bones
- thyroid and parathyroid surgery
- difficulty swallowing
