

GP Education 2018

Wednesday the 22nd of August

Thyroid nodules – assessment and management

Calvary John James Hospital is pleased to invite you to an information session, featuring head and neck surgeon **Associate Professor Ardalan Ebrahimi** and our GP Chair Dr Antonio DiDio.

“A GP education evening on thyroid nodules - epidemiology and pathogenesis, clinical assessment and evaluation. Including the role of imaging and FNA biopsy, understanding implications of thyroid FNA results and the Bethesda Classification system for thyroid FNA reporting, management guidelines and issues around referral and follow-up. Case studies will be presented to illustrate key issues with our Specialist, Head and Neck Surgeon Associate Professor Ardalan Ebrahimi and our GP Chair Dr Antonio DiDio.”

The Theatrette - The Peter Yorke Building, Level 3

173 Strickland Crescent Deakin, ACT 2600.
