

Announcement

Kerry Snare ***General Manager Calvary Launceston***

Commencement Date – 8 February 2021

Dear Colleagues

I am very pleased to announce the appointment of Kerry Snare to the role of General Manager at Calvary Launceston, commencing on Monday 8 February 2021.

Kerry has extensive senior executive experience in CEO/DON, Regional Manager and Executive roles within acute healthcare, rehabilitation, aged and community services and independent living units. Kerry brings skills in governance, strategy, team building, change management, stakeholder relationship management and consumer engagement.

Kerry brings a wealth of experience and commitment to fostering innovative collaborative care models, forging partnerships and empowering staff capability.

Kerry commenced her career in Hobart, including Nursing, Perioperative nursing and education prior to moving interstate. Kerry's most recent role was as Chief Executive Officer and Director of Nursing at the Maryvale Private Hospital in Gippsland, Victoria, a position which she held for approximately 9 years.

Kerry's strong strategic and operational skills will support the executive team of St Vincent's and St Luke's hospitals in the delivery of high standards of patient care and the sustainability of business performance.

Kerry will be a great addition, not only to the Vic/Tas Region team, but also to the wider Calvary community.

Grant Musgrave has kindly agreed to assist Kerry to transition in to the role, with his last day being Friday 12 February.

Please join me in welcoming Kerry to Calvary.

Kind regards

Cynthia Dowell
Vic/Tas Regional CEO
