Unit: *Rehab*

Graduation Date: *RN, December 2022*

Why I chose Nursing:

*After high school I worked as a carer in nursing homes.*

*I found looking after and connecting with the oldies to be super rewarding, and it became pretty clear that I wanted to continue this in a nursing role.*

Other Interests:

*I really enjoy being active outside, rock climbing and bushwalking particularly, and spending time in Tassie magic.*

*I like apricots and the colour green.*
