

MEET OUR GRADS

Grad Name: *Sarah Hoggett*

Graduation Date: *December 2022*

Why I chose Nursing: *I chose to be a nurse after helping take care of my Nan while she was unwell and then in palliative care. It was a 'lightbulb moment' for me, in that I found that I want to help care for people, and was inspired after seeing what nurses do and the impact that they have on patients and their families.*

Hometown: *Hobart*

Hobbies: *Currently on the hunt for the best iced latte in Hobart, playing tennis, love AFL (a constantly disappointed Essendon fan for many years now), cake decorating and scent training and flyball with my dogs.*
