

Calvary North Adelaide Hospital

Day Procedure Suite

Paediatric patients

Welcome.

We aim to make your visit to Calvary with your child as comfortable as possible.

One parent will be required to accompany the child throughout the admission and discharge process. We ask that siblings are not brought into the day Procedure Suite.

Once you have checked in at the Day Procedure Suite reception desk and completed a menu for your child's post-operative snack, they will be admitted as per the theatre list order. Please note that this may be different to the order of arrival. The nursing staff will endeavour to admit patients as quickly as possible and your patience is appreciated.

After saying goodbye to your child in the theatre suite, you are welcome to wait in our waiting room until the procedure is completed and your child has reached the last stage of recovery. If you choose to leave the Day Procedure Suite to move your car, get a coffee, or for any other reason please let the Day Procedure reception staff know. Please call 8239 9525 to re-enter the building.

Please ensure your phone is turned on and with you at all times as nursing staff will call you when your child is in the last stage of recovery. The staff will then collect you from either the waiting room or downstairs at the glass doors at the rear of Mary Potter.

Day Procedure Suite: 8239 9166

Calvary North Adelaide Hospital is open 6am-10pm.

The rear door near Hudson's Cafe is open 6:15am-6:15pm.

If you or your child are feeling unwell, experiencing chest pain or any respiratory difficulties at any time please alert one of our staff.

Please refrain from eating or drinking within the waiting area as patients will be fasting for surgery.

Pick up parking is located at the back of the Day Procedure Suite. Access is via the laneway from Ward Street (next to Mary Potter Hospice).
