At Calvary Kingswood we deliver the highest levels of clinical and residential care in a comforting and modern environment.

We have a stringent Covid-19 Outbreak Strategy and are committed to keeping our residents and staff safe. Each of our residents has access to a 24-hour emergency call system, so you can rest assured that someone is always on hand should you need support in your new home.

We offer a level of care that is personalised for each resident, including access to preferred GP and therapy plans tailored to meet everyday needs.

to us

Compassion is at the heart of all we do.

Our goal?
To deliver excellent care, every day.

We are proud that the majority of the staff who work at Calvary Kingswood are Calvary employees. This allows us to build strong teams and provide a consistent standard of care.

All staff undergo a rigorous Calvary-led recruitment process and continue to be trained and educated on the job.

We follow the principle that happy staff means happy residents and we are united by our common goal to deliver exceptional care to our residents.

We are also united in our motivation for care – which is beautifully summed up in these heartfelt comments by one of our Clinical Coordinators:

“Trying to make a difference in our residents’ lives is my biggest motivation. It’s a great feeling to provide care with dignity and respect. It gives me peace of mind, and it gives that also to their families, knowing that their loved one is in good hands.”

love where you live

Staying in or going out? Here, you will enjoy the best of both.

Calvary Kingswood sits in a quiet residential area in a central location close to so much. Mitcham Square Shopping Centre is just a few streets away, and it's a short bus trip into the city centre. We're also well placed to enjoy days out to see the scenery and sights of the Adelaide Hills.

At home, you'll enjoy every comfort and the assurance of 24-hour care. You'll be well accommodated in a spacious single room or a companion room for couples to be cared for. For socialising, there are comfortable shared spaces for spending time with visitors and fellow residents.

Short-term Respite

This respite gives other carers a break from the physical care of a loved one, or provides care for an elderly person leaving hospital but not yet ready to return home. Usually this is a two-week minimum stay. Meals, laundry, cleaning and clinical care are provided. Residents are invited to join the leisure and lifestyle activities available.

Rehabilitation Care

Our Rehabilitation Care provides short-term support for older people following a hospital stay. The major goal of rehabilitation is to achieve functional mobility and self-care with minimal assistance. Our on-site physiotherapist and care coordinator work together to tailor a comprehensive rehabilitation program to best suit individual requirements.

Residential Aged Care

Residential Aged Care is the term given to permanent living within one of our homes. For our residents we provide 24-hour care, beautiful and homely accommodation, meals and domestic services, as well as social and mental stimulation through the leisure and lifestyle activities available. Care is tailored to the individual.

our
heritage

Continuing the Mission of the Sisters of the Little Company of Mary.

It all started with six courageous sisters
on a mission to care for those in need.

In an abandoned stocking factory in Nottingham, England, Venerable Mary Potter and the Sisters of the Little Company of Mary began their mission of caring for the sick and dying. Inspired by the women who stood steadfastly with Jesus as he died upon the cross at Calvary, six courageous Sisters

sailed into Sydney in 1885 where they immediately began to care for those in need. Thus began Calvary's enduring legacy of care in Australia. Today, we continue their mission in that same Spirit of Calvary in our hospitals, home and virtual care services, retirement living and residential aged care homes.
