LIVING + JOURNEY

Individual Care & Wellbeing

We ensure that you are cared for. At Calvary Vonlea Manor, you can enjoy the following aged care services:

Short-term Respite

Respite care is ideal for when family and friends need a short break from looking after their loved one, or when an elderly person has left hospital and is not quite ready to return home. Individuals generally stay for a minimum two weeks. Meals, laundry, cleaning and any clinical care required are all provided, and residents are encouraged to take part in the leisure and lifestyle activities available.

Residential Aged Care

Residential aged care is when an individual moves into one of our homes. They have the benefits of 24-hour care, beautiful and homely accommodation, meals and domestic services, and both social and mental stimulation through the leisure and lifestyle activities available. Care is tailored to the individual.

Rehabilitation Care

Rehab care is short-term, supporting older people following a hospital stay. The major goal of rehabilitation is for older people to achieve mobility and self-care with minimal assistance. Our on-site physiotherapist and care coordinator will work together with you to tailor a rehabilitation program that best suits you.

“At Calvary Assist, we will help you navigate the journey to the care that is most suitable, ranging from respite to residential aged care, dementia care or palliative care.”
