Coach firm expands

The acquisition of new premises in Upper Mary Street is a new milestone in the continuing success story of Mr. and Mrs. Duncan Polley's coach business.

The firm opened its first Gympie office in Lower Mary Street about six years ago. Polley Coaches began operations 15 years ago as a small firm based at Tin Can Bay and operating three days a week.

Polley still does his share of the full-time work but he now employs one other full-time man and a number who drive part-time.

Distinctive reservoir

Gympie Building Co's tender of \$85,446.50 for a 60,000 gallon reservoir, to be built on Ferguson Hill, has been accepted by the City Council.

A white cement aggregate will be used in the construction.

The distinctive structure will be 60ft high and will have a 360 degree view of the city and surrounding countryside.

There will be a spiral staircase inside the tower with 130 steps and new glass windows.

LIVING + JOURNEY

Individual Care & Wellbeing

We ensure that you are cared for.
At Calvary Gympie Views, you can enjoy
the following aged care services:

Short-term Respite

Respite care is ideal for when family and friends need a short break from looking after their loved one, or when an elderly person has left hospital and is not quite ready to return home. Individuals generally stay for a minimum two weeks. Meals, laundry, cleaning and any clinical care required are all provided, and residents are encouraged to take part in the leisure and lifestyle activities available.

Residential Aged Care

Residential aged care is when an individual moves into one of our homes. They have the benefits of 24-hour care, beautiful and homely accommodation, meals and domestic services, and both social and mental stimulation through the leisure and lifestyle activities available. Care is tailored to the individual.

Rehabilitation Care

Rehab care is short-term, supporting older people following a hospital stay. The major goal of rehabilitation is for older people to achieve mobility and self-care with minimal assistance. Our on-site physiotherapist and care coordinator will work together with you to tailor a rehabilitation program that best suits you.

“At Calvary Assist, we will help you navigate the journey to the care that is most suitable, ranging from respite to residential aged care, dementia care or palliative care.”
