Women's Wellness & Recovery Program

The Women's Wellness & Recovery Program is provided by the Calvary Riverina Drug and Alcohol Centre to support pregnant Women and/or Women with children under 5 years who are experiencing alcohol and other drug (AOD) disorders.

This program aims to improve the health and wellbeing of Women and their children; providing counselling, referral and treatment which may include:

- Midwifery support and antenatal assessment
- Individual counselling
- Access to AOD treatment services
- Withdrawal support
- Education and positive parenting
- Referral and links to other service providers who can support treatment.

This is an outpatient based program enabling Women to maintain their family, community and social supports.

Counselling and treatment is provided by experienced and supportive counsellors, social workers and clinicians including support midwives and other health professionals.

How Do I Access this Program?

Women can self refer to the program or alternatively may be referred by a service provider including general practitioner.

Participation in the program is voluntary therefore clients must consent to referral and participation in the program.

Program Contact

All referrals are made through a Central Client Referral Intake Service coordinated from the Calvary Riverina Drug & Alcohol Centre Wagga Wagga.
