# Welcome to Calvary Riverina Hospital

[www.calvary-wagga.com.au](http://www.calvary-wagga.com.au)

Serving the Riverina community for over 90 years, Calvary Riverina features:

- Intensive Care Unit (ICU) supported by highly trained specialists
- Day surgery in the state-of-the-art Calvary Riverina Surgicentre
- Award winning Drug and Alcohol Centre rehabilitation programs
- Recently constructed Mary Potter Palliative Care Unit, designed to encourage family inclusion

## Rehabilitation and Maternity Unit Refurbishments

Calvary Riverina's Rehabilitation Service includes a new state of the art hydrotherapy pool for use by inpatients and outpatients.

Calvary's maternity unit has also undergone a recent renovation with modern hotel style accommodation for mothers and babies.
