Calvary Health Care

Founded in 1885 by the Sisters of the Little Company of Mary, Calvary is a charitable, not-for-profit, Catholic health care organisation.

Our mission is to provide quality, compassionate health care to the most vulnerable, including those reaching the end of their life. We’re responsible for over 12,000 staff and volunteers, 15 Public and Private Hospitals, 15 Retirement and Aged Care Facilities and a national network of Community Care Centres delivering care and support in the home and community.

In South Australia, Calvary’s links to the community date from the 1890s with the foundation of Calvary North Adelaide. Today, Calvary operates the North Adelaide hospital, Calvary Central Districts Hospital at Elizabeth, Calvary Wakefield Hospital and Calvary Rehabilitation Hospital. The latter two facilities will move to form the foundation of Calvary Adelaide Hospital when it opens in 2019.
Welcome to the future

Opening in 2019, Calvary Adelaide Hospital will provide the highest quality whole of life health care to private and self-insured patients.

Centrally located on the corner of Pulteney and Angas Streets in the heart of Adelaide’s Central Business District, its state-of-the-art facilities will be supported by Calvary’s history of health care excellence in South Australia over almost 120 years.

You are invited to be part of Calvary’s future.
Designed for clinicians

Calvary Adelaide Hospital has been designed around the patient experience by clinicians, for clinicians with strong guidance from international health architecture firm Silver Thomas Hanley, and is being developed by a consortium comprising Adelaide-based Commercial & General and international construction group John Holland.

Our joint design goals:

- A streamlined patient journey
- Practical layout and outstanding amenities
- Integrated innovative technology
- Efficient contemporary work environment
