The Community Care Story

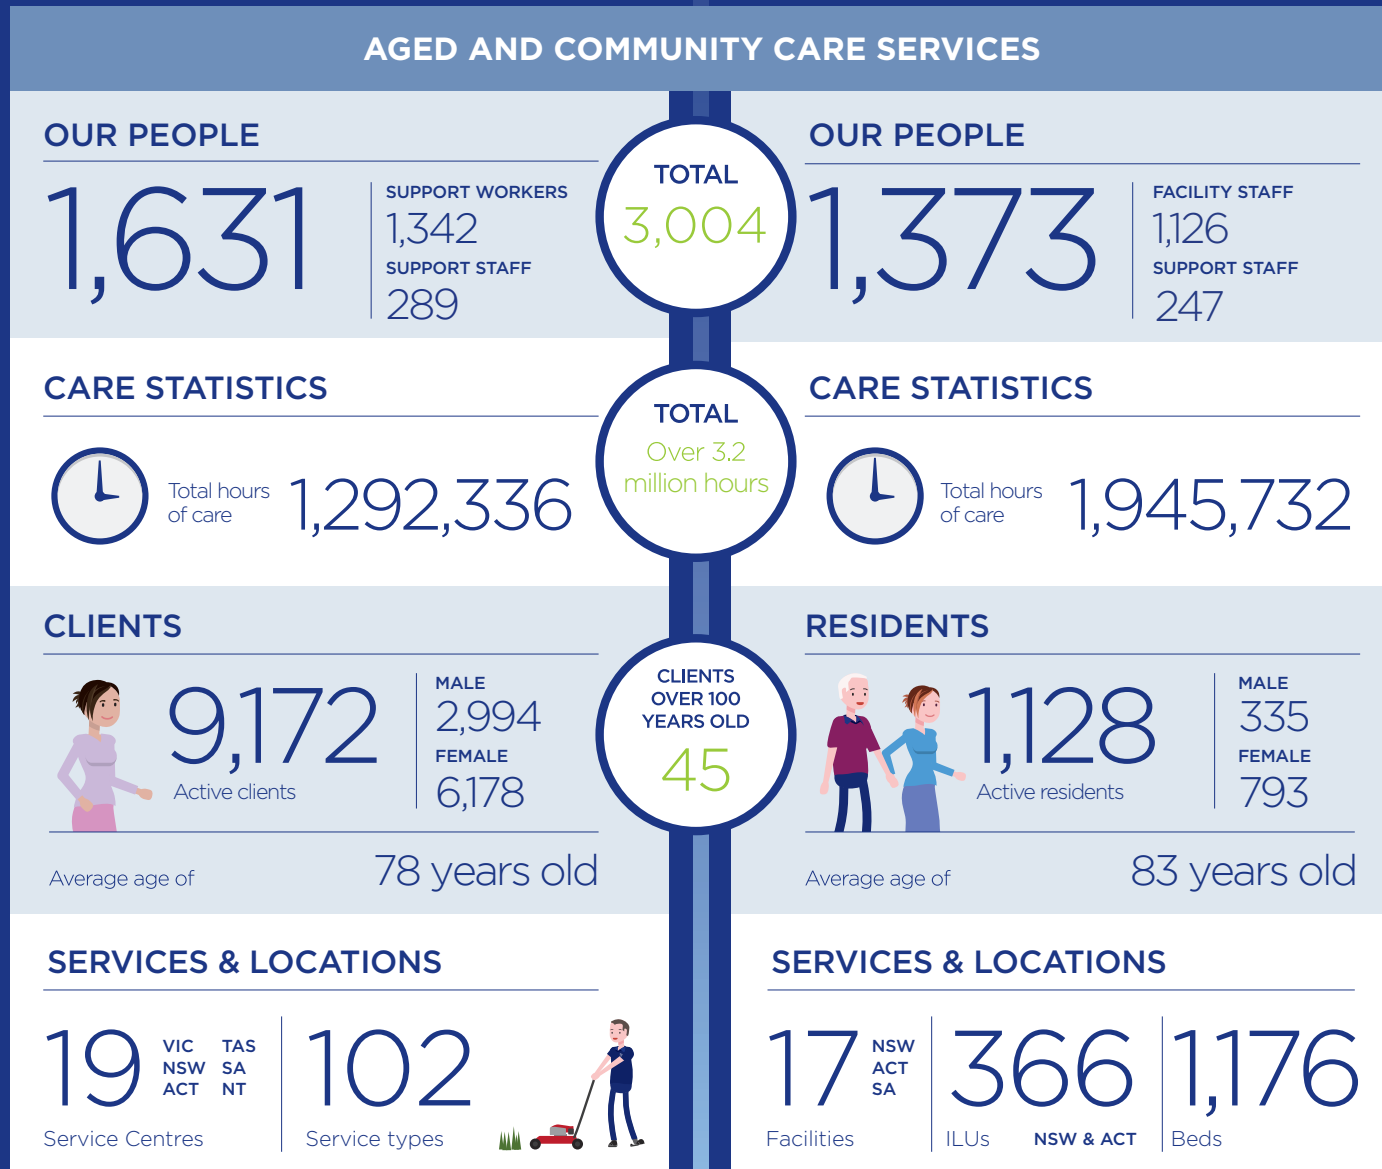

Calvary Community Care has been supporting people in their own homes and communities for over 20 years. We deliver a range of aged care, disability and other support services that enable independence, improve social connections and promote positive health and wellbeing.

The Retirement Communities Story

Calvary Retirement Communities (CRC) provides quality care and services within a supportive environment in which residents are respected for their individuality. CRC has 14 residential care facilities and three stand-alone independent living villages across NSW, SA and the ACT.

The Hospitals' story

Calvary has four public and 11 private hospitals that provide acute and sub-acute care. Eleven of our hospitals work together to provide complementary care across the regions in which they operate including: three hospitals in ACT, four hospitals in South Australia and four hospitals in Tasmania, including two hospitals in Hobart and two hospitals in Launceston. Our single hospitals in Riverina, Sydney, Newcastle and Melbourne work closely with local health area networks to provide valued services for our communities.

The Calvary story

Calvary has provided health care to the most vulnerable Australians, including those reaching the end of their life, since the arrival in Australia of the Sisters of the Little Company of Mary in 1885. We are a charitable Catholic not-for-profit organisation operating across six states and territories in Australia with 15 public and private hospitals, 17 Retirement and Aged Care facilities, and a national network of Community Care service centres.
