

IMPORTANT: COVID-19 Update – Restrictions for Calvary Riverina employees who have visited Melbourne

Date: 26 June 2020
To: All Staff – Calvary Riverina Hospital
Effective: IMMEDIATELY
From: Dr Tony Hobbs, Chief Medical Advisor | Bryan McLoughlin, Regional CEO - NSW

As you will be aware, the Coronavirus (COVID-19) situation in Victoria is evolving. Rates of community transmission are increasing, particularly in Melbourne.

Consistent with advice published yesterday by the Murrumbidgee Local Health District, Calvary Riverina Hospital will not permit entry of any person who has travelled to or from Melbourne within the past 14 days. Accordingly, additional screening measures will be introduced for visitors and staff.

Effective immediately, any staff member of Calvary Riverina Hospital who has travelled to or from Melbourne in the past 14 days is currently not permitted to attend the workplace.

- **For employees who have visited Melbourne within the last 14 days from 26 June 2020, you will be required to take special Coronavirus leave and monitor your health for 14 days.** If you are showing or develop any symptoms of COVID-19, please seek further medical advice.
- **For employees who choose to travel to Melbourne from 26 June 2020, you will be required to use the leave type personal and carers leave.** Where paid personal and carers leave is not available, the period will be unpaid leave.

For more information about COVID-19 symptoms, COVID-19 leave arrangements, as well as a range of other staff resources, please visit: www.calvarystaffupdates.org.au

If you have any questions, please contact your Manager.

If you are finding your situation distressing in any way, please discuss your concerns with your Manager. If you feel you require further support, contact your Employee Assistance Program (EAP) at:
