As you will be aware, the Coronavirus (COVID-19) situation in Victoria continues to evolve. From today, 8 July 2020, the ACT Government has temporarily closed the border with Victoria to contain the spread of infection.

Consistent with the latest ACT Health advice, Calvary Haydon Retirement Community is expanding restrictions on Melbourne travel to include the state of Victoria. From today, any person who has travelled to or from any part of Victoria within the past 14 days will not be permitted entry. Accordingly, additional screening measures will be introduced for visitors and staff.

Effective immediately, any staff member of Calvary Haydon Retirement Community who has travelled to or from any location in Victoria in the past 14 days is currently not permitted to attend the workplace.

- **For employees who have visited Melbourne within 14 days prior to 26 June 2020 or any location in Victoria within the last 14 days prior to 8 July 2020, you will be required to take special Coronavirus leave and monitor your health in self-isolation for 14 days.** If you are showing or develop any symptoms of COVID-19, please seek further medical advice.
- **For employees who have chosen to travel to Melbourne from 26 June 2020 or choose to travel to Victoria from 8 July 2020, you will be required to use the leave types personal, carers or annual leave.** Where paid personal and carers leave is not available, the period will be unpaid leave.
