Dear Resident or Family Member,

RE: Update on Visitation Restrictions - Calvary NSW Retirement Communities

As you will be aware, the Coronavirus (COVID-19) situation in Victoria is evolving. From today, 8 July 2020, the NSW Government has temporarily closed the border with Victoria to contain the spread of infection.

Consistent with the latest NSW Health advice, Calvary is expanding special restrictions on visitors who have travelled to or from **greater Melbourne metropolitan area** in the past 14 days.

Due to the potential risk of COVID-19 transmission to residents, their visitors and our staff, the following special restriction is now in place:

- **Visitors who have been in greater Melbourne metropolitan area will not be permitted entry.** Due to growing risk in Melbourne and surrounding Local Government Areas, visitors who have travelled to or from greater Melbourne metropolitan area in the past 14 days prior to 8 July 2020 are currently not permitted to visit a Calvary hospital or retirement community.

Our primary responsibility remains the protection of residents and staff. We will continue to monitor the situation in Victoria and advice from NSW Health and lift this restriction when it is safe to do so.

For up-to-date information for all residents and family members, please visit Calvary's COVID-19 updates site regularly at: www.calvarycoronavirusupdates.org.au

Please don't hesitate to contact the manager of your home should you have any questions or would like more information. Thank you for your continued cooperation and understanding in this difficult time.
