

# Are you visiting someone cared for by Calvary?

**The COVID-19 situation in NSW is stabilising.**

**To minimise the current risk of infection in Sydney, visitor restrictions are currently in place at this facility.**

- **Any two (2) visitors per resident will be permitted to visit between 11am and 6pm for no longer than two (2) hours each day.**
- **Visitors and staff must wear a face mask at all times.** Where a visitor does not provide their own mask, or the mask does not meet requirements, Calvary will provide a mask upon entry.
- **Visitors from Victoria or a NSW hotspot are not permitted.** Due to increased risk, visitors who have travelled to any part of Victoria or a NSW hotspot in the past 14 days are currently not permitted to visit.
- **Special exceptions to visitation rules.** Exceptions may apply for visitors of residents at end of life, or who may be experiencing distress. Please speak with the manager of your home to discuss arrangements.
- **Influenza vaccination is required.** You will be asked to provide proof of your vaccination before entry is permitted.
- **Visiting will be limited to the resident's room.** Social/physical distancing of a single person per 4 square metres as well as 1.5 metres separation at all times will still be required.
- **Screening questions and temperature checks.** A visitor or staff member with an elevated temperature of 37.5 degrees Celsius or greater will not be permitted entry.
- **Hand hygiene is important.** Please use the hand sanitiser stations regularly.

*Please contact the Facility Manager if you have any questions.*

*Thank you for following the rules and keeping us safe.*
