

# Are you visiting someone cared for by Calvary?

**The COVID-19 situation in Adelaide is rapidly changing. In order to slow the spread of COVID-19, general visitation has been temporarily suspended at Calvary Central Districts Hospital**

- **No general visitation is currently permitted.** Due to heightened risk in the community, no visitors are allowed from 11.59pm 15 November 2020 until further notice.
- **Exceptions for obstetrics and paediatrics patients.** Admitted babies and children (0-17 years) may have one (1) parent/carer present at all times.
- **Exceptions for patients at end of life.** If you or a loved one are receiving palliative care or are at end of life, please contact the hospital to discuss arrangements.
- **Our staff will be wearing facemasks.** All Calvary staff and any visitor who is permitted entry as a special exception will be required to wear a facemask at all times.
- **Screening questions and temperature checks.** Any person with an elevated temperature of 37.5 degrees Celsius or greater will not be permitted entry.

**We encourage you to call your loved one via the switchboard or directly instead. Thank you for following the rules and keeping us safe.**
