

INTRODUCING

# COVID-19 SCREENING STATIONS

---

**Starting Monday 30 November  
Calvary will introduce screening  
stations to temperate check and  
health screen all entrants.**

These screening stations will streamline the entrant screening process and management of visitors, whilst maintaining the required standards relating to COVID-19.

Screening stations will be positioned at the main entrance points with all entrants required to use these stations.

**To find out more about this new process visit
