

Are you visiting someone cared for by Calvary?

The COVID-19 situation in Sydney is evolving.

In line with NSW Health advice, the following restrictions apply at Calvary Ryde Retirement Community.

- **Any two (2) visitors per resident will be permitted entry between 11am-6pm each day.**
- **Visitors from NSW COVID-19 Identified Areas will not be permitted entry at this time.** Visitors who have been in Northern Beaches LGA or any identified NSW COVID-19 case locations on or after 11 December 2020 will not be permitted to visit.
- **Special exceptions to visitation rules.** Exceptions may apply for visitors of residents at end of life, or who may be experiencing distress, or where a care and support role is provided by a visitor. Please speak with the manager of your home to discuss arrangements.
- **Visits must be strictly limited to the resident's room.** Social/physical distancing of a single person per 4 square metres and 1.5 metres separation must be observed at all times.
- **Visitors and staff are required to wear a facemask.** Where a visitor does not provide their own mask, or the mask does not meet requirements, Calvary will provide a mask upon entry.
- **Screening and temperature checks.** Screening questions and temperature checks for all visitors and staff will continue. If a visitor is found to have an elevated temperature of 37.5 degrees Celsius or greater, entry will not be permitted.
- **Hand hygiene is important.** Remember to please use the hand sanitiser stations at the entrance and throughout the facility regularly.

Please contact the Facility Manager if you have any questions.
