

4 February 2021

Dear Resident or Family Member,

RE: Updated Visitor Restrictions - Calvary Ryde Retirement Community

While the COVID-19 situation in Sydney continues to stabilise, both Western Australia and Victoria have identified new cases of COVID-19 in the community.

Today, NSW Health advised that visitors who have been in [Victorian venues of concern](#) or Western Australian locations visited by confirmed cases should not be permitted entry into NSW aged care facilities.

What does this mean for residents and families?

Consistent with the latest NSW Health advice, Calvary Ryde Retirement Community will align restrictions on visitation. The following restrictions will change from today, 4 February 2021:

- Visitors who have been to any [Victorian venues of concern](#) since 29 January 2021 are currently not permitted entry.
- Visitors who have been to any [WA Locations visited by confirmed cases](#) or the [Perth, Peel or South West Regions of WA](#) since 25 January 2021 are currently not permitted entry.
- Visitors who have been to any [contact tracing locations of interest](#) in New Zealand are currently not permitted entry.

Please note that all other restrictions on visitation, last advised in our email of 2 February 2021, are current and will remain in place until further notice.

The situation in Victoria and WA is expected to evolve over the coming days and weeks. We anticipate NSW Health will advise further changes to restrictions and we will adjust our restrictions accordingly. For the latest information on identified NSW Health COVID-19 case locations, please [visit the NSW Government website](#).

Please don't hesitate to contact the manager of your home should you have any questions or would like to discuss the individual care needs of your loved one. For up-to-date information for all residents and family members, please visit Calvary's COVID-19 updates site regularly at: www.calvarycoronavirusupdates.org.au

Thank you for your continued understanding and cooperation in this particularly challenging time. By following the rules, you are helping us to keep everyone safe.

Sincerely,
