Dear General Practitioner,

**RE: Vaccination Day Postponed - Calvary Flora McDonald Retirement Community**

**Please be advised that the vaccine administration provider has advised me that COVID-19 Vaccination Day at Calvary Flora McDonald will need to be postponed and rescheduled for Thursday, 4 March 2021.**

**Vaccination day will now be Thursday, 4 March 2021.** I understand that this news will be disappointing for your patients. Many residents, their loved ones and our staff have been eagerly awaiting the vaccine. While disappointing that we will need to wait another week, we look forward to working with SA Health and our GP partners to commence vaccinations on Thursday.

I understand a number of doctors have planned to accompany their patients at the facility today to assist them in consenting and receiving their vaccination. I sincerely apologise for any inconvenience this news has caused you and your colleagues.

For the latest Calvary COVID-19 updates, please continue to visit [www.calvarycoronavirusupdates.org.au](http://www.calvarycoronavirusupdates.org.au) on a regular basis. For any other questions about vaccination day or to discuss the specific care needs of your patient, please contact me at any time.

Sincerely,

**Ryan Midgley**
