Workplace benefits the Maxxia way

Your employer has chosen Maxxia as your workplace benefits provider to bring you the best possible salary packaging experience.

As one of Australia's largest salary packaging providers, we've specialised in providing workplace benefits for over 30 years, delivering generous tax savings that help our customers do more with their money.

Salary packaging Meal Entertainment

Salary packaging lets you pay for some expenses with money from your salary before you get taxed. This could reduce your taxable income, meaning you could pay less tax and take home more of what you earn.

Exactly what you can package depends on your industry and employer, but you could be eligible to package up to \$2,650 in Meal Entertainment each year.

This amount covers restaurant and bistro bills while dining out with others, and is in addition to any other cap limits you may be eligible for.

Meal Entertainment claims

You can claim for meals consumed with others at restaurants, cafes, pubs, clubs and bistros.

You cannot claim for takeaway meals; onsite workplace meals or drinks; alcohol (unless consumed while dining out with others); general entertainment (such as movie or theatre tickets); and groceries.

The Maxxia Wallet

Say goodbye to manual claiming with the Maxxia Wallet, the most convenient and flexible way to enjoy the Meal Entertainment benefit. The Wallet is a tap-and-go smartcard preloaded with before-tax dollars that allows for claiming anywhere, anytime. When the bill arrives, simply 'payWave' it like you would your bank card!
