### The Hospitals Story

Calvary has four public and 10 private hospitals that provide acute and sub-acute care. Eleven of our hospitals work together to provide complementary care across the regions in which they operate including: three hospitals in ACT, three hospitals in South Australia and four hospitals in Tasmania, including two hospitals in Hobart and two hospitals in Launceston. Our single hospitals in Riverina, Sydney, Newcastle and Melbourne work closely with local area health networks to provide valued services for our communities.

### The Calvary Story

Calvary has provided health care to the most vulnerable Australians, including those reaching the end of their life, since the arrival in Australia of the Sisters of the Little Company of Mary in 1885. We are a charitable Catholic not-for-profit organisation operating across six states and territories in Australia with over 18,000 staff and volunteers, we have a national network of 14 Public and Private Hospitals, 72 Residential Care and Retirement Communities and 19 Community Care service centres.
