

Aged Care Employee Day

7 August 2022

Aged Care Employee Day recognises the incredibly valuable contribution of all individuals and teams who are involved in aged care across our services.

To our aged care nurses, support workers, care staff, servery and catering teams, through to cleaners, laundry staff, lifestyle coordinators, gardeners, administration teams and everyone in between.

Welcome to your Aged Care Employee Day Event Kit

To help you celebrate this year's Aged Care Employee Day, we have put together an event kit with the following items:

- **Thank a team mate card:** staff can use these to thank a colleague or share a story of thanks
- **Posters:** these can be placed around the office, in the staff rooms or where you might be holding the event
- **Balloons:** to decorate your event

Plus a few other bits and pieces to make Aged Care Employee Day memorable.
