Graduate Nurse Transition Program

CBPH runs the Calvary OnePlus Graduate Nurse Transition Program (GNTN), a national program that supports the individual in developing principles of clinical practice that promote the transference of knowledge, skills and behaviour for life-long learning.

Through support and reflection, the program will empower you to make well-informed evidence-based decisions throughout your entire career.

Our twelve month practice-based program enables graduates to learn the essential knowledge, skills and attitudes in a supportive environment in a variety of clinical settings throughout the organisation.

OUR PROGRAM

- Commences on Monday 12th February 2024
- Offers 2 x 6 month rotations
- On floor support from your dedicated New Graduate Coordinator
- Fortnightly debrief sessions
- Preceptor Program
- Fortnightly clinical skills workshops and two graduate study days
- Access to scholarships for post graduate study
- CBPH offers free parking & uniforms

APPLICATION PROCESS

- Completion of online application form via Calvary Careers
- Cover letter addressing a series of questions
- Curriculum Vitae
- Academic Transcript, with current GPA
- All pages of your two most recent clinical placement experience assessments
